

RESOLUTION NO. 11-84

A RESOLUTION OF RECOGNITION OF SERVICE BY JACK C. BISHOP
From The Sewer Authority Mid-Coastside Board of Directors

WHEREAS, Mr. Bishop has served continuously on the SAM Board of Directors since August 1980 to May 1984, and

WHEREAS, Mr. Bishop was elected Chairman by the Board in December 1982, and has served in that position until his resignation in May 1984 because of ill health, and

WHEREAS, Mr. Bishop has served on the SAM Board through some very trying times and, as Chairman thereof, was instrumental in formulating and establishing some of the critical policies of Sewer Authority Mid-Coastside which have directed SAM in a positive approach in addressing its endeavors and responsibilities, and

WHEREAS, Mr. Bishop has contributed a great deal of extra time and energy to the concerns and problems of SAM to insure his own understanding of the details, and thereby providing valuable guidance to the decision-making process, and

WHEREAS, it must be recognized that the only reason why Mr. Bishop has been compelled to resign his position is because of health circumstances; otherwise, he would continue to provide the Board with his energy, wisdom and guidance;

NOW THEREFORE BE IT RESOLVED that The Sewer Authority Mid-Coastside does heartily thank Mr. Bishop for his interest, participation and services and, at the same time, commit said recognition and appreciation to the records, and extend to him continued well wishes.
