

RESOLUTION NO. 25-79

A RESOLUTION ENDORSING A BIKEWAY
FOR THE SAN MATEO COUNTY MID-COASTSIDE

SEWER AUTHORITY MID-COASTSIDE

RESOLVED, by the Board of Directors of the Sewer Authority Mid-Coastside, San Mateo County, California, that

WHEREAS, a group of San Mateo County Mid-Coastside residents has presented to this Board a proposal for a bikeway to be constructed over and along the route of the interceptor sewer line presently being constructed by this Authority from Montara to Half Moon Bay; and

WHEREAS, this Authority is advised that the California Department of Transportation (Cal.Trans.) has funds available for the construction of such a bikeway.

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED as follows:

1. The public interest would be served by the construction of a bikeway along the San Mateo County Mid-Coastside, and this Authority endorses the construction of such a bikeway.
2. In view of the fact that a route for the construction of its interceptor sewer line from Montara to Half Moon Bay has been cleared by this Authority, this Board would endorse the construction of the bikeway over and along said route.
3. This Authority requests that funds for the bikeway be made available by Cal. Trans.
4. It is understood that construction of such a bikeway would result in no liability or obligation, financial or otherwise, to this Authority or its member agencies, and that the construction and operation of the bikeway would not interfere with the maintenance and operation of the sewer facilities being constructed by this Authority.
