

RESOLUTION NO. 26-79

A RESOLUTION ENDORSING A HORSE TRAIL  
FOR THE SAN MATEO COUNTY MID-COASTSIDE

SEWER AUTHORITY MID-COASTSIDE

RESOLVED, by the Board of Directors of the Sewer Authority Mid-coastside, San Mateo County, California, that

WHEREAS, a group of San Mateo County Mid-coastside residents has presented to this Board a proposal for a horse trail to be constructed over and along the route of the interceptor sewer line presently being constructed by this Authority from Montara to Half Moon Bay; and

WHEREAS, this Authority is advised that the California Department of Transportation (CalTrans) may be able to assist in the establishment of such a horse trail;

NOW THEREFORE, IT IS HEREBY DETERMINED AND ORDERED AS FOLLOWS:

1. The public interest would be served by the establishment of a horse trail along the San Mateo County Mid-coastside, and this Authority endorses the establishment of such a horse trail.

2. In view of the fact that a route for the construction of its interceptor sewer line from Montara to Half Moon Bay has been cleared by this Authority, this Board would endorse the establishment of the horse trail over and along said route.

3. This authority requests that the cooperation and assistance, including available funding, be made available by CalTrans.

4. It is understood that establishment of such a horse trail would result in no liability or obligation, financial or otherwise, to this Authority or its member agencies, and that the establishment and operation of the horse trail would not interfere with the maintenance and operation of the sewer facilities being constructed by this Authority.
